## RHEUMATISM ROUTED.

### A Case from Scriven County.

In the editorial columns of the *Sylvania Telephone*, bearing date August 14th, the editor, Col. Wm. L. Matthews, Jr., has the following in reference to remarkable cure of rheumatism by Swift Specific.

"We know a gentleman in this county who, six months ago, was almost a hopeless cripple from an attack of rheumatism. He could scarcely hobble across the room, used crutches, and said himself that he had little if any hope of ever recovering. We saw him in our town last week, walking about as lively as any other man, and in the finest health and spirits. Upon our inquiry as to what had worked such a wonderful change in his condition, he replied that Swift's Specific had cured him. He said he was on the eve of starting for the Hot Springs in search of relief, but was persuaded by one of his neighbors to try Swift's Specific, and after taking a dozen and a half a miserable cripple to a happy, healthy man. He is one of our most worthy and successful citizens, and is none other than Mr. E. B. Latta."

Col. John L. Scott will deliver the address to the graduating class at Midway Orphan College on Thursday, May 17 h, at 10 o'clock.

The biography of Judge Richard Reid is out and circulating rapidly. It is a wonderfully interesting book, and presents the life and character of the lamented Judge so truthfully and vividly that he seems to speak to you in person from every page. No one pen wrote it. It is the product of his legion of friends throughout Kentucky, in all the professions and walks of life, speaking out of their personal knowledge of the man. These testimonies are deftly linked together and all necessary facts additional supplied by the devoted wife, who has edited the volume. It is a difficult book to lay down when once picked up. There is so much to delight and charm in its richly freighted leaves. A prominent gentleman of an adjoining county said of it, "I cannot lay it down—each page is more interesting than the last." Another declared, "There is a fascination in the book that overpowers me—I could not stop until that literally devoured it from beginning to end."

It is dedicated to the bar of Kentucky, of which Judge Reid was one of the greatest lights it ever had, and among which, in every locality, it is having a rapid sale. One would think that every lawyer of the State would want upon his library shelves this well told story of the splendid life and tragic death of Richard Reid.

If the most profitable literature for the young is the biography of the good and great, this is the best book the fathers of Kentucky could put into the hands of their sons. It will fill them with lofty ideas of manhood. It will magnetize and sanctify them by contact with one of the sweetest and grandest spirits that ever grew to man's estate on Kentucky soil. The perusal of this book will be no small item in the education of any young man.

We could wish nothing better for this community than that a copy of this valuable book should go into every home. It is one of the very best biographies that has come from the press in our day. We are glad that the public is so promptly appreciative of this fact. It argues well for its discriminating taste and intelligent judgment. It is a compliment to Kentucky to appreciate and prize the beautiful character of such a man as Judge Richard Reid.

## THE NEW ROLLER MILL.

### Sager's Mill Transformed by the Substitution of New Process Machinery.

The Vidette localizer, hearing, that the Sager Mill had been started up again with an entire new outfit of the most modern machinery, strolled over there to witness the improvement, and finding it entirely superior to his greatest expectation, he decided to "give away" some facts about which the public might otherwise never know.

First he finds the property leased for a term of years by the Sager estate to Dudley Watson, who comes from Kentucky to make his home with us, and that the mill has been cleared out entirely of the old machinery, which gives place to some \$6,000 or \$8,000 worth of new.

The outfit now is as follows: 12 pairs of rolls for reducing the wheat to middlings and flour; 4 Geo. T. Smith purifiers to purify the middlings; 10 scolding reels for separation; 4 Kneckerbocker units, cleaning machinery, &c., making a complete roller-process mill with a capacity of 75 to 100 barrels per day.

The Kneckerbocker Co., of Jackson, Mich., were the contractors and builders, and the superintendency of Mr. C. J. Harris, the millwright being Mr. Frank Wentworth.

The new mill was started Monday, and from the first revolution everything has moved smoothly and satisfactorily, showing not only that the machinery is good, but that it was likewise accurately set up.

The flour produced by this mill is equal to the very best in the market, the wheat of this county grading well, the mill being of the very best and latest improved make and the manager, Mr. Watson, being an experienced and competent miller.

Citizens are conjured to patronize this home manufacturer. When in need of flour try a sack of the "Juno" brand, and henceforth you will not be at a loss for the best and most reliable flour.—Porter County (Ind.) *Vidette*.

The new opera, *Lena*, will soon be put on the stage in this city. Some of the best musical and dramatic talent in the State has been engaged for its rendition. It has been highly commended by several excellent critics, who have examined it. We predict for it extraordinary success.

## Bridgeport.

Rev. Robt E. Caldwell will preach at the Franklin Church to-morrow morning at 11 o'clock.

## To the teachers of Franklin County:

Next Saturday is the day for the regular monthly meeting of the County Association. Will you meet with us? Our county was the first to set in motion the great tidal wave that is now sweeping over our State. Shall we now relax our energies? Shall we hold our hands and say our work is done? If we would reap the benefits of our labor we must be on the alert. Other parts of the State are reaching the feverish stage of our struggles. Then let us keep them up. Let each one take this as a personal appeal to themselves and come to the meeting next Saturday.

Pres't E. C. T. A.

## All Sorts of

hurts and many sorts of ails of man and beast need a cooling lotion. Mustang Liniment.

## AFTER DINNER.

Persons who suffer from Indigestion can arrest the progress of this painful malady by the use of an after-dinner pill, so composed that it will give tone to the stomach, prevent heartburn, rouse the liver to healthful action, invigorate the kidneys, and thus, through the activity of these organs, promote the natural movement of the stomach and bowels. AYER'S PILLS are so compounded that their action, though mild, effectively produces the above results. They also, in curing Constipation, remove the cause of Biliousness, Liver Complaint, Kidney Disease, Rheumatism, and many other serious ailments.

## AYER'S PILLS

contain no mineral nor poisonous substance, and do not irritate unless the bowels are irritated, and even then their influence is healing. To eliminate their effect in constipated or chronic cases, they need only be taken in diminishingly instead of increasing doses. For women, and inhabitants or travelers in sparsely settled countries where physicians are not at hand, they are of inestimable value. There is hardly a sickness they will not alleviate, and in most cases cure, if taken promptly. To young girls just entering womanhood, and to women whose health is gradually breaking down, a course of Ayer's Pills, in moderate doses, merely sufficient to ensure regular action of the bowels, will be found of great benefit.

## Incalculable Value.

PREPARED BY  
Dr. J. C. Ayer & Co., Lowell, Mass.  
Sold by all Druggists.

## FRANKFORT ROUNDABOUT

Entered at the post-office at Frankfort, Kentucky second class mailable matter.

GEORGE A. LEWIS.

Editor and Publisher.

FRANKFORT, MAY 1, 1886.

Advises from Maysville state that Mrs. Otton's entertainment there is a brilliant success.

Mrs. Elizabeth Graham, mother of Mr. W. L. Graham, of this city, died Thursday morning at the residence of her son-in-law, Mr. Wm. Clark, near Lagrange, after an illness of several months with dropsy, aged about 72 years. The remains were brought to this city yesterday morning and interred in the cemetery.

Another excursion train will be run from Lexington to Louisville to-morrow in order to furnish the lovers of base ball a chance to witness the game between the Cincinnati and Louisville Clubs. The train passes through here at 9:15 in the morning, and returning leaves Louisville at 7:50 p. m. The fare for the round trip will be \$1.50.

Workmen are busily engaged in putting skids under the steamer Hibernia and it is expected to get her into the water in about a week. As the bank is cut away from under her hull straightens up, and it is thought she will be all right. It has not been found necessary to take the machinery out of her.

The recent rise in the river left such a large deposit of sand in the entrances of several of the locks that loaded coal barges cannot be towed through them and the dredge boat, Monongahela, which has been lying just below the St. Clair Street Bridge, on the South Side, for several months, left Saturday to go down and clear them out.

Woman's Exchange, corner of Main and Ann streets. All varieties in the eating line may be expected on Saturday, May 1st. The following is the list of the ladies who furnish, viz: Mrs. Jas. Magill, Mrs. Manerva McEwing, Mrs. F. C. Hughes, Mrs. J. S. Price, Mrs. J. W. Payne, Mrs. John Rodman, Misses Hallie Walker, Katie Brawner, Mary McEwan, Katie and Lida Mangon and Susie Rodman.

Mr. Samuel Klass, of this city, and Miss Doru Jacobs, of Louisville, were married Thursday afternoon, at the residence of the bride's parents in Louisville, by Rabbi Kutner, in the presence of a large assemblage of the friends and relatives of the contracting parties. The newly wedded pair arrived in this city yesterday evening and went immediately to the home Mr. Klass had prepared for his bride, and settled down to housekeeping.

The celebration of the 67th anniversary of Odd Fellowship in America by Canton Berry, No. 6, on Monday evening, was not largely attended but was greatly enjoyed by those present. The ball room at the Capital Hotel had been secured in which to give an exhibition drill in the early part of the evening, but when the Chevaliers marched up there they found the room occupied by others, and had to return to their Temple, in the large hall of which the drill was given. After the drill was over the members of the Canton, together with invited guests sat down to an elegant supper which had been prepared by the wives and mothers of the Odd Fellows, and spread in the small hall of their Temple under the direction of Mrs. C. A. Nelson, Mrs. McEnnis, Mr. Mrs. Wm. McEnnis and Mrs. W. Howe Williams.

It was a feast which the ladies may well be proud of, and to which those present did ample justice. The supply of good things was so abundant that large baskets full were sent out to needy families after the supper was over.

Canton Berry is increasing rapidly in numbers, and the drill corps in proficiency under the instructions of Col. J. R. Williams, and by the time the next anniversary rolls around we may expect to see her numbers more than doubled, and as for drill she will carry off the horns from any Canton in the State.

Common Pleas and County Courts both meet Monday.

Prof. Mauver's grand concert will take place on the 4th of May.

The spring races over the Kentucky Association course at Lexington begin Wednesday next, May 6th, and continue until Wednesday the 12th.

The thirteenth annual exhibition of the Franklin, Anderson and Salvia Agricultural and Mechanical Association will take place this year on the 17th, 18th, 19th and 20th of August on the grounds of the Association, near Lawrenceburg.

It seems now to be pretty well settled that the Legislature will not adjourn until after Harman's Circus comes. It is to be hoped that the enterprising showman will not get away with any of the wild animals of this distinguished(?) body.

In our last issue we spoke of the four Councilmen who voted against the proposition to rebuild the City School building upon the old site as opponents of the school. This was an error as the gentlemen in question claim that they are not opponents of the school but of the proposition to erect but one school building only.

The Cora Van Tassel Company have been playing their second engagement at the Opera House this season, during the past week, to good audiences. The plays presented have all been well selected and put upon the stage in first class style. The company is a good one and bound to draw good houses wherever they go. Their engagement will be concluded to-night, when the "Hidden Hand" will be presented. This afternoon a grand matinee will be given at which Enoch Arden will be the attraction.

Mr. Wm. Jeffries, of this city, and Miss Jennie Denson, of Louisville, were married Wednesday afternoon, at 4 o'clock, at the home of the bride in that city. The happy young couple came to this city the same evening, and have taken rooms at his mother's in South Frankfort. The groom is a most excellent young business man and has been exceedingly fortunate in securing so fair a partner for life. We extend them our congratulations upon a union so happily made.

The steamer Hoston Combs was purchased at Evansville, Indiana, a few days since by Mr. W. T. Gaines, of this city, and will hereafter run in the Kentucky river trade as a freight and tow boat. The price paid was \$4,000.

Mr. W. L. Collins' four-year-old filly, Uttimatum, is at New Orleans with the stable of Mr. J. T. Williams, of Eminence, and has started in three races, winning all of them. She is regarded as one of the best four-year-olds in the State.

Try the Arctic flour.

J. W. Ledford, the party arrested last week for passing counterfeit money, was turned over to the United States authorities, and having given bond for his appearance at the June term of the United States Court, was released.

Mrs. Bessie Miller Oton gives one of her celebrated costume recitals at the Opera House on Friday, May 7th. The ladies and gentlemen who will participate in the entertainment belong to some of the best known families in Kentucky, and our citizens should turn out and give them a warm welcome.

At the Temperance School last Sunday evening Misses Anna Haner and Mattie Utley sang a beautiful and feeling song, entitled "Out in the Snow." We noticed some of the sterner sex wiping the tears from their eyes as the sweet voices of the little singers told the pitiful story.

Rev. Mr. Cobb has been preaching to large and interested congregations at the Christian Church all this week. There have been several added already and the meetings give promise of much success. He preaches to-morrow morning and night, and each evening also during the coming week.

I tried Tongaline upon myself for facial neuralgia, and it immediately gave relief. I also tried it upon one suffering intense pain from neuralgia of the head; one dose gave immediate relief. C. W. DUVAL, M. D., Pineville, Mo.

Three young gentlemen of this city rowed up to Clifton, 12 miles up the river, in a skiff Friday night of last week, to attend a party at that place. They left here about 7 o'clock in the evening and reached there at 12; returning they left Clifton at 11 and reached here at 5:15 Saturday morning. Pretty good for the muscles, but not much fun.

The "constantly tired-out" feeling, so often experienced, is the result of impoverished blood, causing enfeebled vitality. Ayer's Cathartic enriches the blood, increases the appetite and promotes digestion. The system, thus invigorated, feels new strength and energy.

### An End to Bone Scraping.

Edward Shepherd, of Harrisburg, Ill., says: "Having received so much benefit from Electric Bitters, I feel it my duty to let suffering humanity know it. I have had a running sore on my leg for eight years, my doctors told me I would have to have the bone scraped or leg amputated. I used, instead, three bottles of Electric Bitters and seven boxes Bucklen's Arnica Salve, and my leg is now sound and well."

Electric Bitters are sold at fifty cents a bottle, and Bucklen's Arnica Salve at 25c. per box by Joe LeCompte. 5
